INSPIRED WITH LOCAL PASSION

Breakfast, Lunch, Dinner & everything in between

You can't survive on bottled water and glacier mints alone, we'll calm rumbling stomachs during work time with a plentiful supply of pastries, fruit and snacks, and with the **Karpo Grill** and **Megaro Bar** just a minute away, well... lunch, dinner and drinks are going to be legendary.

Enviably location!

We're right across from King's Cross St Pancras so, thanks to the great rail links, we're easy to get to from all over London, the north of England and Europe too.

And because **Hotel Megaro** and **The California** are even closer, accommodation is as convenient to reach as it is to arrange.
